Reference your WDZW-11-3-E, preliminary discussions with ARPA and Deputy Secretary of Defense indicate that the AF will assume responsibility for all Military Construction items in 117L program. Following specific guidance with respect to your request is furnished: (1) You are authorized to advertise for Northwest site pending receipt of funds. Before advertisement request that your Division re-review requirement so that complete justification for initiation of construction of this site in FY 1959 will be available to this Hq if required; (2) Authority is provided to utilize $100,000 for site preparation of the Northeast site from presently available Ballistic Missile P-300

DATE TIME: MONTH NOV. YEAR 1958

SYMBOL: AFABF-10

program funds which are not required for obligation at this time. As above before utilization of these funds adequate justification should be available if required for the essentiality of proceeding with this project at this time; (3) At present time, OSD has approved apportionment for funds of Point Arguello Launch Complex and Vandenberg AFB Missile Assembly Bldg. Funds should be available your Division during week of 10 Nov. 1958. This is authority your Division to advertise these facilities pending receipt of funds.

With respect to the full approval of 1959 facilities program, at such time as FY 1959 117L program is formally approved and ground rules established, full approval of Facilities program will be released by this Hq.
